## **ABOUT US**

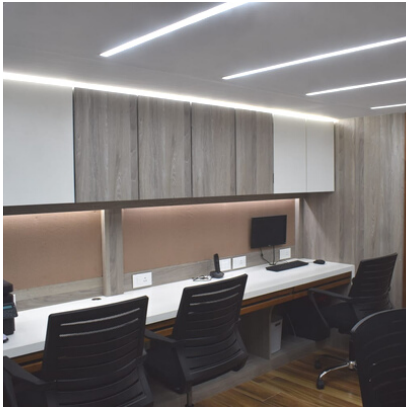

Ammar Agency is one of the emerging companies dealing in Construction Chemicals – Paints – Adhesives & Airless Spray equipment. Established in 2013, the company is setting various milestones and successfully achieving them one by one. We specialise in manufacturing and distribution of a wide range of products which keeps a check on all your construction and coating related prerequisites. Our services include distribution of Construction Chemicals – Paints – Adhesives – Airless Spray Equipment & Application Contracts for Waterproofing, Epoxy flooring and Structural Restoration.

Under the charismatic leadership the company is inching towards remarkable success and is reaching greater heights. Our establishment also stands as leading distributor for Sika India Pvt. Ltd. In India, operating across Mumbai and surrounding regions. We also undertake sales & service for Wagner Range of Airless Spray Equipments, with a distribution network in the Western Region where we have successfully secured collaborations in the role of distributors and sub-distributors /retailers with various prestigious infra projects across the Region.

One cannot contribute towards the growth of the country's infrastructure without having a strong foundation. We gain our strength through our multi-faceted infrastructure that includes our office situated in Byculla, West Mumbai, our warehouse facility in Byculla - Mumbai and the stocking facility in Bhiwandi – Thane spanning an area of 20000 sq. ft.

Ammar Agency specialises in offering world-class products manufactured with advanced technologies and a skilled team. We are a family of highly devoted employees with significant efforts coming from Sales, Admin and Operational Staff Persons. We want to bring a revolutionary change in the field of paints, construction chemicals, adhesives and others that caters to every requirement of the client. The agency strongly abides by the principle of customer satisfaction and thereby strives to bring superior products, provide effective and efficient services, and provide quality after service.

## MISSION

We aim to deliver promising products and efficient services which will positively contribute to the industry. We believe in dedicated services to our loyal customers and continue to stay true to their trust. We want to be the most trusted brand in the market known for its Professional working style with valued based services delivered to our clients with the best-in-class products.

## VISION

We aspire to tread the path to success, progress and improvement. Undeterred by any setback we aim to be the leaders in our field and serve the market with the best solutions. We work around the clock to produce innovative and sustainable solutions which are an enriching addition to the infrastructure industry and take us further in this field.
